## FROM OUR FARM TO YOUR TABLE FROM OUR VINES TO YOUR GLASS

- All of our wines are produced by MJ & Jennifer Keenan, Tim White, Erin Center, and our team from our 110 acres of Estate Vineyards in the Verde Valley and Willcox, AZ.

- Our fruits and vegetables are farmed by Randee Larremore and Maynards father, Mike Keenan, in our Verde Valley greenhouses, gardens, and orchards. What we can't grow, we source from local Arizona farmers.

- Our house made gelati and sorbetti are hand crafted by Kelley E. Foy using Arizona produced Dairy and fresh ingredients grown in the Merkin Vineyards Greenhouses, Gardens, and Orchards.
